

I HAVE BEEN ASKED THE FOLLOWING QUESTIONS FROM SEVERAL VENDORS

Recommended models are based on monthly usage per device. Are you able to provide usage per your existing devices? **UNFORTUNATELY, OUR CURRENT PROVIDER WAS UNABLE TO SUPPLY ME WITH "ACCURATE" DATA WHICH IS WHY IT WAS OMITTED FROM THE RFP. I WILL TELL YOU THAT WE NEED THE "TIMEX" UNITS, THEY CAN TAKE A LICKING AND KEEP ON TICKING. :)**

Are you expecting the new devices to have finishers which provide stapling and hole punching etc. for all of the new devices? **YES, WE DO WANT THOSE FEATURES. THE PRODUCT SPECIFICATION SHEET HAS A LINE FOR FINISHING OPTIONS THAT ARE INCLUDED ON THE UNIT YOU ARE PROPOSING.**
