INTER-DISTRICT PERMIT INFORMATION and REQUIREMENTS

Inter-District Permit Information: Ed. Code 46600-4611

Although students generally must attend school in the district where their parents/guardians reside, the district may upon request, accept students from another district and may also allow students who live within the district to attend out-of-district schools.

Inter-district attendance permits may be approved for the following reasons:

1. **Employment:** Students may attend a school outside of their district of residence if at least one of the parents is employed within the boundaries of that school district. Parent must work full-time on a regular basis and no less than 30 hours per week during school hours.
2. **Childcare Needs:** a permit may be granted for child care reasons only to students in grades **K-8**. The student must be cared for by a child care center or by someone that lives within the request school district boundaries.
3. **Continuation:** a student may be allowed to continue attending the same school when parents/guardians have moved out of their current district and to attend until the highest grade at current school/district.
4. **Sibling (brother or sister):** a permit may be granted when a sibling would be in attendance at the same time at the requested school/district.
4. **Special Needs:** a permit may be granted when special mental or physical health needs of the student are certified by a physician, school psychologist or other appropriate certified personnel.
5. **Relocating:** a permit may be granted when the parent/guardian provides legal documentation as evidence that the family will be moving to the receiving district in the immediate future and would like the student to start the school year in that district.
7. **Program:** a permit may be granted when there is valid interest in a particular **educational program not** offered in any of our schools in AESD. The program must be offered in the student's grade level and be a sequential course of study up to the highest grade level at requested school. Before and after school programs and sports are not considered valid educational interest.
8. **Other:** Highly unusual personal circumstances and if none of the above reasons apply to your request.

Inter-District Permit Requirements – Parent must provide the following in person, mail, email, or fax:

NOTE: Time frame process for Inter-district permits is between 6 to 8 weeks. The district may deny a transfer due to space limitations. Incomplete applications will delay the process and will be denied. Inter-district permits must be renewed each year.

All requirements must be attached to the application at the time of submission. Additional information may be requested. Please attach the following to your application:

- **Verification of address, utility bill under parent's name and no older than 45 days.**

If **self-employed** provide tax form, valid business license and utility Bill (at least two of these).

2. Child Care-Grades K-8: Complete verification of childcare and provide a copy of **childcare's address verification**, i.e. childcare license, most current utility bill with provider's name and address.
