2015-2016 School Accountability Report Card Published in the 2016-17 School Year

SARC Information

Every school in California is required by state law to publish a School Accountability Report Card (SARC) by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>.
- To view this SARC online at the school and/or LEA websites.
- For more information about the LCFF or LCAP, see the CDE LCFF Webpage at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Special Data Note

With the start of the 2016-17 school year Adelanto Elementary School District restructured the grade levels available at most schools. Please note that any section in the SARC that applies to school years 15-16 or earlier will display data for grades TK-6, while any section that pertains to the 2016-17 school year will display data for grades TK-5.

District Vision & Mission Statement

Mission Statement

To prepare every student to be successful in high school, in college, in career, and in the 21st century global community

Vision Statement

To be the High Desert's premier learning establishment where dreams are awakened, academic achievement soars, and integrity leads the way to future success

District & School Profile (School Year 2016-17)

The Adelanto Elementary School District is located in the City of Adelanto, a fast-growing community in Southern California, located approximately 35 miles south of Barstow.

A highly competent staff has established a close rapport with the students and community. Additionally, the school has developed educational programs designed to provide the skills and tools necessary for students to explore their creativity while developing a strong educational base.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Enrollment By Ethnicity Or Student Group (School Year 2015-16)

This chart illustrates the enrollment trend by ethnicity or student group.

Enrollment by Student Group	
2015-16	
	Percentage
Black or African American	21.3%
American Indian or Alaska Native	1.0%
Asian	0.7%
Filipino	0.4%
Hispanic or Latino	56.9%
Native Hawaiian or Pacific Islander	0.4%
White	14.9%
Two or More Races	2.6%
EL Students	83.8%
Socioeconomically Disadvantaged	14.6%
Students with Disabilities	17.6%
Foster Youth	2.7%

School Enrollment & Attendance (School Year 2015-16)

School districts receive financial support from the state for the education of the students they serve based on how many students attend school each day. More importantly, attendance is critical to academic achievement, and regular daily attendance is a priority at Adelanto Elementary School District. Attendance, tardiness, and truancy policies are clearly stated, consistently enforced, and consequences fairly administered. Parents are advised of their responsibilities, including proper notification of when and why students are absent. Absence reports are regularly reviewed by the school secretary. Parents are informed of absences through phone calls and letters sent home. Students can attend Saturday School to make-up absences.

Students are referred to the district's School Attendance Review Board (SARB) when they have persistent attendance or behavior problems in school, and when the normal avenues of classroom, school, and district counseling have proven to be ineffective. The SARB is composed of parents, representatives from the district, and members of the community, including representatives from law enforcement, welfare, probation, and mental health agencies.

The members of SARB, the referred students, and their parents or guardians meet regularly to evaluate the student's situation and recommend alternative solutions to alleviate circumstances that contribute to specific truancy, attendance, or behavioral problems.

The chart indicates the enrollment for the last three years.

Enrollment Trend by Grade Level			
	2013-14	2014-15	2015-16
K	91	110	119
1st	99	89	105
2nd	95	102	103
3rd	115	94	105

5th	148	134	118
6th	108	128	137

Highly Qualified Teachers (School Year 2015-16)

The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "Highly Qualified". Minimum qualifications include: possession of a Bachelor's Degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects. For more information, see the CDE Improving Teacher and Principal Quality Web page at: <http://www.cde.ca.gov/nclb/sr/tq/>.

Note: High-poverty schools have student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools have student eligibility of approximately 39 percent or less.

Highly Qualified Teachers		
	% of Core Academic Courses Taught By Highly Qualified Teachers	% of Core Academic Courses Taught By Non-Highly Qualified Teachers
School	100.0%	0.0%
All Schools in District	96.2%	3.8%
High-Poverty Schools in District	96.2%	3.8%
Low-Poverty Schools in District	N/A	N/A

Teacher Assignment

The district recruits and employs qualified credentialed teachers. This chart shows information about teacher credentials.

	Teacher Credential Status			
	School			District
	14-15	15-16	16-17	16-17
Fully Credentialed	29	28	28	327
Without Full Credentials	0	0	0	22
Teaching Outside Subject Area of Competence (with full credential)	5	0	0	0

Misassignments refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

Teacher vacancies reflect the number of positions to which a single designated certificated employee has not been assigned at the beginning of the year for an entire semester or year.

Misassignments/Vacancies			
	14-15	15-16	16-17
Misassignments of Teachers of English Learners	0	0	0

Textbooks & Instructional Materials (School Year 2016-17)

Adelanto Elementary School District held a public hearing on October 4, 2016 and determined that each pupil in the district has a standards-aligned textbook or materials in the subject areas of language arts, math, science and social studies and the standards-aligned textbook/materials were provided to students within 24 months of the state adoption of social studies standards aligned materials, pursuant to the settlement of Williams vs. The State of California.

All students, including special education and English learner students, are provided their own individual textbooks in core subjects, as well as foreign language and health (as appropriate) for use in the classroom and to take home to complete required homework assignments. All textbooks and instructional materials used within the district are aligned with the California State Content Standards and Frameworks and have been selected from the state's most recent list of standards-based materials. The table displays information collected in November 2016 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school. The most recent textbooks adoptions are illustrated in the chart.

School Facilities (School Year 2016-17)

Eagle Ranch Elementary School was first built in 1990 and is currently comprised of 43 permanent classrooms, a library, a staff lounge, a multi-purpose room/cafeteria, two grass playgrounds and one hard-top play area. A new computer lab was added in the summer of 2014.

Cleaning Process

The principal works daily with two full-time custodians and one part-time custodian staff members to ensure classrooms, restrooms, and campus grounds are kept clean and safe.

Maintenance & Repair

Eagle Ranch Elementary School provides a safe and clean environment for students, staff, and volunteers. The district administers a scheduled maintenance program, including regular facilities inspections, to ensure that all classrooms and facilities are well-maintained and in good repair. A work order process immediately alerts district personnel of any maintenance needed to be performed and ensures that emergencies are given the highest priority. The chart displays the results of the most recent school facilities inspection collected in November 2016.

San Bernardino County Williams Inspection Results

On an annual basis, representatives from the San Bernardino County Superintendent of Schools visit Adelanto Elementary School District's schools that are in the Decile Ranks 1-3.

The inspection is designed to evaluate and verify that school facilities conditions are in "good repair" and that any deficiencies are accurately reported in the School Accountability Report Cards. Results of the most recent inspection and corrective action taken by the district are provided in the table. Items noted as "remedied" have already been fixed. All other deficiencies have had work orders generated for repairs.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

California Assessment of Student Performance and Progress

The California Assessment of Student Performance and Progress (CAASPP) includes computer-based and paper-pencil assessments. The computer-based assessments are the Smarter Balanced English Language Arts/Literacy (ELA) and Mathematics tests, administered to grades three through eight and eleven. The paper-pencil assessments include the Science assessments for grades five, eight, and ten: the California Standards Tests (CSTs) for Science, the California Modified Assessment (CMA) for Science, and California Alternate Performance Assessment (CAPA) for Science. There is also the optional Standards-based Tests in Spanish (STS) for Reading/Language Arts (RLA).

The Smarter Balanced Assessment System utilizes computer-adaptive tests and performance tasks that allow students to show what they know and are able to do. Smarter Balanced summative assessment results include student scores, achievement levels, and descriptors that describe performance. These assessment results are only one of several tools used to measure a student's academic performance in ELA/Literacy and mathematics. Smarter Balanced assessment results are most appropriately interpreted alongside other available information about a student's academic achievement, including such measures as classroom assignments and grades, classrooms tests, report cards, and teacher feedback.

This table displays the percent of students who met or exceeded state standards in English Language Arts/Literacy (grades 3-8 and 11) and Math (grades 3-8 and 11) for the past two school years, and Science (grades 5, 8, and 10) for the past three school years.

The following table displays school-wide data for all students who took the Science assessment in grades five, eight, and and/or ten, broken down by student group.

California Assessment of Student Performance and Progress									
Percent of Students Meeting or Exceeding the State Standards									
Subject	School			District			State		
	2014	2015	2016	2014	2015	2016	2014	2015	2016
English Language Arts/Literacy (Grades 3-8 and 11)	--	17	20	--	20	24	--	44	48
Mathematics (Grades 3-8 and 11)	--	11	11	--	10	12	--	34	36
Science (Grades 5, 8, and 10)	33	28	35	34	32	30	60	56	54

The following tables display information on student achievement by student groups for the school in ELA and Mathematics for grades three through eight and eleven.

Note: ELA test results include the Smarter Balanced Summative Assessment and the California Alternate Assessment. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

State Priority: Other Pupil Achievement

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject area of physical education

Physical Fitness (School Year 2015-16)

In the spring of each year, Adelanto Elementary School District is required by the state to administer a physical fitness test to all students in grades five and seven. The Physical Fitness Test measures each student's ability to perform fitness tasks in six major areas. Students who meet or exceed the standards in all six fitness areas are considered to be physically fit or in the "Healthy Fitness Zone" (HFZ).

Percentage of Students in Healthy Fitness Zone			
2015-16			
Grade Level	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	20.4%	16.8%	15.9%

**Scores are not disclosed when fewer than 10 students are tested in a grade level and/or subgroup.*

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Parent & Community Involvement (School Year 2016-17)

Parents and the community are very supportive of the educational program at Eagle Ranch Elementary School. Parents are very active at the school site, participating in Back-To-School Night, Open House, Parent Teacher conferences, Parent Teacher Association (PTA), School Site Council, English Language Advisory Council (ELAC), Book Fair, Reading Fair, and awards assemblies. The school maintains an open-door policy with all parents of Eagle Ranch Elementary School students. Parents are kept informed of school activities through the school and classroom newsletters, Edulink phone service, and the school website.

Contact Information

Parents who wish to participate in Eagle Ranch Elementary School's leadership teams, school committees, school activities, or become volunteers may contact the main office at (760) 949-2100 or visit the school website <http://ers.aesd.net/>

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension and expulsion rates; and
- Other local measures on the sense of safety.

Safe School Plan (School Year 2016-17)

The safety of students and staff is a primary concern at Eagle Ranch Elementary School. The Comprehensive Safety Plan was developed by the school in consultation with local law enforcement in order to comply with Senate Bill 187 of 1997. Eagle Ranch Elementary School reviews the plan annually and updates it as needed. The plan was last updated in September 2016 and reviewed with school staff. The key elements of the Safety Plan are discipline, crisis plan, academic & curriculum framework, bomb threats, sign-in & sign-out procedures, parent notification, attendance, parent committees, newsletters, assemblies, child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe drop-off and pickup from school, sexual harassment policy, and dress code policy. A copy of the safety plan is available to the public at the school office.

Fire and earthquake drills are conducted on a regular basis throughout the school year, and intruder drills are conducted 10 times a year. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards.

To ensure student safety, staff members and playground monitors supervise students at all times before, during, and after school. All visitors must sign in at the office, obtain a visitor's badge, and sign out upon leaving.

Suspensions & Expulsions

The table displays the suspension and expulsion rates at the school, in the district, and throughout the state. Expulsions occur only when required by law or when all other alternatives are exhausted.

	Suspensions & Expulsions					
	Suspensions			Expulsions

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Federal Intervention Program (School Year 2016-17)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not meet federal Annual Measurable Objective targets for two consecutive years in the same area or indicator, including English/Language Arts and Math testing participation rates, attendance rates, and graduation rates. After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not meet those goals. For detailed information about PI identification, see the CDE PI Status Determinations Web page: <http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp>.

Professional Development

The district did not offer any staff development days in the 2013-14 or 2014-15 school years. In the 2015-16 school year, the district offered one staff development day, in which the following topics were discussed: Core English-Language Arts and Math, English-Language Arts and Math Differentiation, Engagement Strategies, Close Reading, Next Generation Science Standards-Inquiry (TK – 6), and Accelerated Reader 360.

Additionally, for further support in their profession, teachers may enlist the services of the district's Beginning Teacher Support and Assessment (BTSA) support provider and/or the Peer Assistance and Review (PAR) Program.

Additional Internet Access & Public Libraries

In addition to the computers available at the school, students have access to the Internet and computers at the San Bernardino County Library branches located in the cities of Adelanto and Victorville. For branch locations, hours of operation, and other information please visit the San Bernardino County Library web site: www.sbcounty.gov/library/home.

Counseling & Support Staff (School Year 2015-16)

It is the goal of the Adelanto Elementary School District to assist students in their social and personal development as well as academics. Each school gives special attention to students who experience achievement problems, difficulty coping with personal and family problems, trouble with decision making, or handling peer pressure. The table lists the support service personnel available to students. Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.
