### 2015-2016 School Accountability Report Card Published in the 2016-17 School Year

#### SARC Information

Every school in California is required by state law to publish a School Accountability Report Card (SARC) by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>.

- To view this SARC online at the school and/or LEA websites.

- For more information about the LCFF or LCAP, see the CDE LCFF Webpage at <http://www.cde.ca.gov/fg/aa/lc/>.

- For additional information about the school, parents and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### Special Data Note

With the start of the 2016-17 school year Adelanto Elementary School District restructured the grade levels available at most schools. Please note that any section in the SARC that applies to school years 15-16 or earlier will display data for grades TK-7, while any section that pertains to the 2016-17 school year will display data for grades TK-5.

#### District Vision & Mission Statement

##### Mission Statement

To prepare every student to be successful in high school, in college, in career, and in the 21st century global community

##### Vision Statement

To be the High Desert's premier learning establishment where dreams are awakened, academic achievement soars, and integrity leads the way to future success

#### District & School Profile (School Year 2016-17)

The Adelanto Elementary School District is located in the City of Adelanto, a fast-growing community in Southern California, located approximately 35 miles south of Barstow.

A highly competent staff has established a close rapport with the students and community. Additionally, the school has developed educational programs designed to provide the skills and tools necessary for students to explore their creativity while developing a strong educational base.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### Enrollment & Attendance (School Year 2015-16)

School districts receive financial support from the state for the education of the students they serve based on how many students attend school each day. More importantly, attendance is critical to academic achievement, and regular daily attendance is a priority at Adelanto Elementary School District. Attendance, tardiness, and truancy policies are clearly stated, consistently enforced, and consequences fairly administered. Parents are advised of their responsibilities, including proper notification of when and why students are absent. Absence reports are regularly reviewed by the school secretary. Parents are informed of absences through phone calls and letters sent home. Students can attend Saturday School to make-up absences.

Students are referred to the district's School Attendance Review Board (SARB) when they have persistent attendance or behavior problems in school, and when the normal avenues of classroom, school, and district counseling have proven to be ineffective. The SARB is composed of parents, representatives from the district, and members of the community, including representatives from law enforcement, welfare, probation, and mental health agencies.

The members of SARB, the referred students, and their parents or guardians meet regularly to evaluate the student's situation and recommend alternative solutions to alleviate circumstances that contribute to specific truancy, attendance, or behavioral problems.

The chart indicates the enrollment for the last three years.

## Highly Qualified Teachers (School Year 2015-16)

The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "Highly Qualified". Minimum qualifications include: possession of a Bachelor's Degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects. For more information, see the CDE Improving Teacher and Principal Quality Web page at: <http://www.cde.ca.gov/nclb/sr/tq/>.

Note: High-poverty schools have student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools have student eligibility of approximately 39 percent or less.

Misassignments refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

Teacher vacancies reflect the number of positions to which a single designated certificated employee has not been assigned at the beginning of the year for an entire semester or year.

## Textbooks & Instructional Materials (School Year 2016-17)

Adelanto Elementary School District held a public hearing on October 4, 2016 and determined that each pupil in the district has a standards-aligned textbook or materials in the subject areas of language arts, math, science and social studies and the standards-aligned textbook/materials were provided to students within 24 months of the state adoption of social studies standards aligned materials, pursuant to the settlement of Williams vs. The State of California.

All students, including special education and English learner students, are provided their own individual textbooks in core subjects, as well as foreign language and health (as appropriate) for use in the classroom and to take home to complete required homework assignments. All textbooks and instructional materials used within the district are aligned with the California State Content Standards and Frameworks and have been selected from the state's most recent list of standards-based materials. The table displays information collected in November 2016 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school. The most recent textbooks adoptions are illustrated in the chart.

## School Facilities (School Year 2016-17)

Gus Franklin, Jr. S.T.E.M. Academy is currently comprised of classrooms, a library, a computer lab, a staff lounge, and a multi-purpose room/cafeteria.

### Cleaning Process

The principal works daily with the custodial staff to ensure classrooms, restrooms, and campus grounds are kept clean and safe.

### Maintenance & Repair

Gus Franklin, Jr. S.T.E.M. Academy provides a safe and clean environment for students, staff, and volunteers. The district administers a scheduled maintenance program, including regular facilities inspections, to ensure that all classrooms and facilities are well-maintained and in good repair. A work order process immediately alerts district personnel of any maintenance needed to be performed and ensures that emergencies are given the highest priority. The chart displays the results of the most recent school facilities inspection collected in November 2016.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

## California Assessment of Student Performance and Progress

The California Assessment of Student Performance and Progress (CAASPP) includes computer-based and paper-pencil assessments. The computer-based assessments are the Smarter Balanced English Language Arts/Literacy (ELA) and Mathematics tests, administered to grades three through eight and eleven. The paper-pencil assessments include the Science assessments for grades five, eight, and ten: the California Standards Tests (CSTs) for Science, the California Modified Assessment (CMA) for Science, and California Alternate Performance Assessment (CAPA) for Science. There is also the optional Standards-based Tests in Spanish (STS) for Reading/Language Arts (RLA).

The Smarter Balanced Assessment System utilizes computer-adaptive tests and performance tasks that allow students to show what they know and are able to do. Smarter Balanced summative assessment results include student scores, achievement levels, and descriptors that describe performance. These assessment results are only one of several tools used to measure a student's academic performance in ELA/Literacy and mathematics. Smarter Balanced assessment results are most appropriately interpreted alongside other available information about a student's academic achievement, including such measures as classroom assignments and grades, classrooms tests, report cards, and teacher feedback.

This table displays the percent of students who met or exceeded state standards in English Language Arts/Literacy (grades 3-8 and 11) and Math (grades 3-8 and 11) for the past two school years, and Science (grades 5, 8, and 10) for the past three school years.

The following table displays school-wide data for all students who took the Science assessment in grades five, eight, and and/or ten, broken down by student group.

The following tables display information on student achievement by student groups for the school in ELA and Mathematics for grades three through eight and eleven.

Note: ELA test results include the Smarter Balanced Summative Assessment and the California Alternate Assessment. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### Safe School Plan (School Year 2016-17)

The safety of students and staff is a primary concern at Gus Franklin, Jr. S.T.E.M. Academy. The Comprehensive Safety Plan was developed by the school in consultation with local law enforcement in order to comply with Senate Bill 187 of 1997. The plan provides students and staff a means to ensure a safe and orderly learning environment. Components of the Comprehensive Safety Plan include the following: child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe drop off and pickup from school, sexual harassment policy, and dress code policy. Gus Franklin, Jr. S.T.E.M. Academy reviews the plan annually and updates it as needed. The plan was last updated in December 2015 and reviewed with school staff. A copy of the safety plan is available to the public at the school office.

Fire drills are conducted on a monthly basis, intruder and earthquake/ disaster drills are held once during the school year. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards.

To ensure student safety, campus supervisors, proctors, and administrative assistants supervise students at all times before, during, and after school. All visitors must sign in at the office, obtain a visitor's badge, and sign out upon leaving.
