SARC Information

Every school in California is required by state law to publish a School Accountability Report Card (SARC) by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>.
- To view this SARC online at the school and/or LEA websites.
- For more information about the LCFF or LCAP, see the CDE LCFF Webpage at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Special Data Note

With the start of the 2016-17 school year Adelanto Elementary School District restructured the grade levels available at most schools. Please note that any section in the SARC that applies to school years 15-16 or earlier will display data for grades 7-8, while any section that pertains to the 2016-17 school year will display data for grades 6-8.

District Vision & Mission Statement

Mission Statement

To prepare every student to be successful in high school, in college, in career, and in the 21st century global community

Vision Statement

To be the High Desert's premier learning establishment where dreams are awakened, academic achievement soars, and integrity leads the way to future success

District & School Profile (School Year 2017-18)

The Adelanto Elementary School District is located in the City of Adelanto, a fast-growing community in Southern California, located approximately 35 miles south of Barstow.

A highly competent staff has established a close rapport with the students and community. Additionally, the school has developed educational programs designed to provide the skills and tools necessary for students to explore their creativity while developing a strong educational base.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Enrollment & Attendance (School Year 2016-17)

School districts receive financial support from the state for the education of the students they serve based on how many students attend school each day. More importantly, attendance is critical to academic achievement, and regular daily attendance is a priority at Adelanto Elementary School District. Attendance, tardiness, and truancy policies are clearly stated, consistently enforced, and consequences fairly administered. Parents are advised of their responsibilities, including proper notification of when and why students are absent. Absence reports are regularly reviewed by the school secretary. Parents are informed of absences through phone calls and letters sent home. Students can attend Saturday School to make-up absences.

Students are referred to the district's School Attendance Review Board (SARB) when they have persistent attendance or behavior problems in school, and when the normal avenues of classroom, school, and district counseling have proven to be ineffective. The SARB is composed of parents, representatives from the district, and members of the community, including representatives from law enforcement, welfare, probation, and mental health agencies. The members of SARB, the referred students, and their parents or guardians meet regularly to evaluate the student's situation and recommend alternative solutions to alleviate circumstances that contribute to specific truancy, attendance, or behavioral problems.

The charts display school enrollment broken down by student group and grade level.

Enrollment by Student Group	
2016-17	
	Percentage
Black or African American	27.4%
American Indian or Alaska Native	0.3%
Asian	0.1%
Hispanic or Latino	58.4%
Native Hawaiian or Pacific Islander	2.1%
White	6.3%
Two or More Races	3.2%
EL Students	15.5%
Socioeconomically Disadvantaged	91.8%
Students with Disabilities	21.4%
Foster Youth	3.0%

Enrollment Trend by Grade Level			
	2014-15	2015-16	2016-17

8th	200	199	222

Teacher Assignment

The district recruits and employs qualified credentialed teachers. This chart shows information about teacher credentials.

	Teacher Credential Status			
	School			District
	15-16	16-17	17-18	17-18
Fully Credentialed	16	28	35	375
Without Full Credentials	0	3	1	4
Teaching Outside Subject Area of Competence (with full credential)	0	0	6	6

Misassignments refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

Teacher vacancies reflect the number of positions to which a single designated certificated employee has not been assigned at the beginning of the year for an entire semester or year.

	Misassignments/Vacancies		
	15-16	16-17	17-18
Misassignments of Teachers of English Learners	0	0	0
Misassignments of Teachers (other)	0	0	0
Total Misassignments of Teachers	0	0	0
Vacant Teacher Positions	1	0	0

Science Lab Equipment

The school stocks an adequate supply of equipment for its students. Inventory includes, but is not limited to: microscopes, slides, ring stands, clamps, support rings, utility clamps, test tubes, test tube holders and brushes, tongs, flasks, beakers, and Bunsen burners. For more information, please call the school office.

School Facilities (School Year 2017-18)

The Adelanto Elementary School District insures that each school provides a clean, safe, and functional environment for learning through proper facilities maintenance and campus supervision.

Age & Condition of Facilities

Columbia International Magnet School was originally constructed in 2004 and is currently comprised of 18 permanent classrooms, 24 portable classrooms, a library, two staff rooms, a gymnasium, a multi-purpose room/cafeteria, a computer lab, and an open recreation area.

Planned Improvements to Facilities

The District will be repaving the asphalt of all schools in 2018.

Maintenance & Repair

Columbia International Magnet School provides a safe and clean environment for students, staff, and volunteers. School personnel routinely inspect facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. The district administers a scheduled maintenance program, including regular facilities inspections, to ensure that all classrooms and facilities are well-maintained and in good repair. A work order process immediately alerts district personnel of any maintenance needed to be performed and ensures that emergencies are given the highest priority. A formal inspection report is prepared annually in accordance with Education Code §17592.72(c)(1). Adelanto Elementary School District uses the Facilities Inspection Tool developed by the California Office of Public School Construction to assess current conditions of the campus and identify facilities improvement needs.

The chart displays the results of the most recent school facilities inspection collected in November 2017.

Campus Supervision

Adult supervision is present in all areas of the campus as students arrive in the morning, during lunch periods, and when students leave in the afternoon.

School administration and teachers circulate in assigned areas of the campus; ensuring student conduct remains safe and orderly. Regular campus supervision is shared throughout the day by school personnel to ensure the campus remains safe while instruction is in progress. The school is a closed campus. During school hours, all visitors must sign in at the office and wear identification badges while on school grounds.

Cleaning Process

The principal works daily with two full-time custodian staff members to ensure classrooms, restrooms, and campus grounds are kept clean and safe. Daily housekeeping and cleaning takes place in the afternoons and evenings. When school is not in session, custodial teams focus on deep cleaning of carpets, floors, windows, restrooms, and other major components of the campus.

San Bernardino County Williams Inspection Results

On an annual basis, representatives from the San Bernardino County Superintendent of Schools visit Adelanto Elementary School District's schools that are in the Decile Ranks 1-3.

The inspection is designed to evaluate and verify that school facilities conditions are in "good repair" and that any deficiencies are accurately reported in the School Accountability Report Cards. Results of the most recent inspection and corrective action taken by the district are provided in the table. Items noted as "remedied" have already been fixed. All other deficiencies have had work orders generated for repairs.

San Bernardino County Williams Facilities Inspection		
Inspection Date: 08/17/2017		
Area Inspected	Category	Deficiency & Remedial Actions Taken or Planned
Boys' Restroom 800	Restrooms	Sink is not working or functioning properly (remedied)
Girls' Restroom 800	Restrooms	Sink is damaged, excessively stained or clogged (remedied)
Basketball Courts	Playground/School Grounds	Significant cracks, trips hazards, holes, or deterioration (WO#23631)
Field and Track	Drinking Fountains	Sink is not working or functioning properly (WO#26215)

Textbooks & Instructional Materials (School Year 2017-18)

Adelanto Elementary School District held a public hearing on October 24, 2017 and determined that each pupil in the district has a standards-aligned textbook or materials in the subject areas of language arts, math, science and social studies and the standards-aligned textbook/materials were provided to students within 24 months of the state adoption of social studies standards aligned materials, pursuant to the settlement of Williams vs. The State of California.

All students, including special education and English learner students, are provided their own individual textbooks in core subjects, as well as foreign language and health (as appropriate) for use in the classroom and to take home to complete required homework assignments. All textbooks and instructional materials used within the district are aligned with the California State Content Standards and Frameworks. The K-8 materials have been selected from the state's most recent list of standards-based materials. As there is no state curriculum for TK, these materials are locally determined as they use a modified kindergarten curriculum intended to be age and developmentally appropriate. The table displays information collected in November 2017 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school. The most recent textbook adoptions are illustrated in the chart.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities)

California Assessment of Student Performance and Progress

The California Assessment of Student Performance and Progress (CAASPP) includes computer-based assessments. The computer-based assessments are the Smarter Balanced English Language Arts/Literacy (ELA) and Mathematics tests, administered to grades three through eight and eleven. There is also the optional Standards-based Tests in Spanish (STS) for Reading/Language Arts (RLA).

In the 2014-15 and 2015-16 school years, the Science assessments were paper-pencil tests for grades five, eight, and ten; the California Standards Tests (CSTs) for Science, the California Modified Assessment (CMA) for Science, and California Alternate Performance Assessment (CAPA) for Science. During the 2016-17 school year, the new California Science Test was pilot tested. This pilot test replaced the California Standards Tests and California Modified Assessment for Science. Because this was a pilot year, no Science scores will be disclosed.

The Smarter Balanced Assessment System utilizes computer-adaptive tests and performance tasks that allow students to show what they know and are able to do. Smarter Balanced summative assessment results include student scores, achievement levels, and descriptors that describe performance. These assessment results are only one of several tools used to measure a student's academic performance in ELA/Literacy and mathematics. Smarter Balanced assessment results are most appropriately interpreted alongside other available information about a student's academic achievement, including such measures as District assessments, classroom assignments and grades, classrooms tests, report cards, and teacher feedback.

For 2015-16 and 2016-17, this section includes the school, district, and state information on the percent of students meeting or exceeding the State standards on the California Assessment of Student Performance and Progress (CAASPP) Smarter Balanced Summative Assessments and California Alternate Assessments (CAAs) for English language arts/literacy (ELA) and mathematics for grades three through eight and grade eleven. It also displays Science scores (grades 5, 8, and 10) for 2014-15 and 2015-16.

California Assessment of Student Performance and Progress									
Percent of Students Meeting or Exceeding the State Standards									
Subject	School			District			State		
	2015	2016	2017	2015	2016	2017	2015	2016	2017
English Language Arts/Literacy (Grades 3-8 and 11)	--	14	12	--	24	21	--	48	48
Mathematics (Grades 3-8 and 11)	--	4	3	--	12	11	--	36	37
Science (Grades 5, 8, and 10)	30	23	--	32	30	--	56	54	--

The following table displays information on student achievement by student groups for the school in ELA and Mathematics with all grades combined (grades three through eight and eleven).

California Assessment of Student Performance and Progress

Socioeconomically Disadvantaged	641	632	98.60	12.06	629	98.44	2.38
English Learners	181	177	97.79	9.09	176	97.78	0
Students with Disabilities	145	143	98.62	0	141	98.60	0.71
Foster Youth	29	29	100.00	3.45	29	100.00	0

Note: ELA test results include the Smarter Balanced Summative Assessment and the California Alternate Assessment. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

State Priority: Other Pupil Achievement

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject area of physical education

Physical Fitness (School Year 2016-17)

In the spring of each year, Adelanto Elementary School District is required by the state to administer a physical fitness test to all students in grades five and seven. The Physical Fitness Test measures each student's ability to perform fitness tasks in six major areas. Students who meet or exceed the standards in all six fitness areas are considered to be physically fit or in the "Healthy Fitness Zone" (HFZ).

Percentage of Students in Healthy Fitness Zone

2016-17

Grade Level	Four of Six Standards	Five of Six Standards	Six of Six Standards
7	32.0%	19.7%	24.1%

*Scores are not disclosed when fewer than 10 students are tested in a grade level and/or subgroup.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Parent & Community Involvement (School Year 2017-18)

Parents and the community are very supportive of the educational program at Columbia International Magnet School. Parents are very active at the school site, participating in school events and committees such as the School Site Council, ELAC, and Coffee with the Principal. In addition, parents frequently volunteer at the site to develop student events. Parents are kept informed of school activities via school newsletters/calendars, the InTouch Message system, and notices sent home via students.

Contact Information

Parents who wish to participate in Columbia International Magnet School's leadership teams, school committees, school activities, or become volunteers may contact the main office at (760) 530-1950.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension and expulsion rates; and
- Other local measures on the sense of safety.

Suspensions & Expulsions

The table displays the suspension and expulsion rates at the school, in the district, and throughout the state. Expulsions occur only when required by law or when all other alternatives are exhausted.

	Suspensions & Expulsions					
	Suspensions			Expulsions

Safe School Plan (School Year 2017-18)

The safety of students and staff is a primary concern at Columbia International Magnet School. The Comprehensive Safety Plan was developed by the Safe Schools Committee, which is composed of School Site Council members, administrators and teachers, in consultation with local law enforcement in order to comply with Senate Bill 187 of 1997. The plan provides students and staff a means to ensure a safe and orderly learning environment. Columbia International Magnet School reviews the plan annually and updates it as needed. The plan was last revised in June 2017. The key elements of the Safety Plan include, the personal characteristics of the school, the school's physical environment, the school's social environment, and the school's culture. A copy of the safety plan is available to the public at the school office.

Fire drills are conducted once a month, earthquake drills are conducted twice a year, and intruder drills are conducted two times a year. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards.

To ensure student safety, campus security officers supervise students at all times before, during, and after school. All visitors sign in at the office, wear a visitor badge at all times, and sign out upon leaving. Access to the campus is restricted to the office unless parents want to visit the classroom to observe instruction or student behavior.

The designated student drop off and pick up area is in front of the office.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Additional Internet Access & Public Libraries

In addition to the computers available at the school, students have access to the Internet and computers at the San Bernardino County Library branches located in the cities of Adelanto and Victorville. For branch locations, hours of operation, and other information please visit the San Bernardino County Library web site: www.sbcounty.gov/library/home.

Federal Intervention Program (School Year 2017-18)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not meet federal Annual Measurable Objective targets for two consecutive years in the same area or indicator, including English/Language Arts and Math testing participation rates, attendance rates, and graduation rates. After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not meet those goals.

Due to the flexibility allowed by the Every Student Succeeds Act (ESSA) that became law in December 2015 and reauthorized the ESEA, no LEA or school will be newly identified for PI in the 2017-18 school year. LEAs and schools that received Title I, Part A funds for the 2016-17 school year and were "In PI" in the 2016-17 school year will retain their same PI status and placement year for 2017-18. California elected not to require LEAs or schools to provide Supplemental Educational Services and Choice for the 2017-18 school year, as defined in Section 1116 of the ESEA.

LEAs and schools that received Title I, Part A funds for the 2016-17 school year and either had a status of "Not in PI" for the 2016-17 school year or did not receive Title I, Part A funds for the 2015-16 school year will have a status of "Not in PI" for the 2017-18 school year. For detailed information about PI identification, see the CDE PI Status Determinations Web page: <http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp>.

Counseling & Support Staff (School Year 2016-17)

It is the goal of the Adelanto Elementary School District to assist students in their social and personal development as well as academics. Each school gives special attention to students who experience achievement problems, difficulty coping with personal and family problems, trouble with decision making, or handling peer pressure.

The academic counselor to pupil ratio is 1:467. The table lists the support service personnel available to students. Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Counseling & Support Services Staff		
	Number of Staff	Full Time Equivalent
Counselor	1	1.0
Librarian	1	0.5
Nurse	1	As Needed
Psychologist	1	As Needed
Resource Specialist Program (RSP) Teacher	3	2.0
RSP Aide	4	3.0
SDC Aide	2	6.0
Special Day Class (SDC) Teacher	2	2.0

Professional Development

For the past three years, the district offered the following number of staff development days:

2014-15: 0
2015-16: 1
2016-17: 3

The district also utilized weekly early student release days on Tuesdays to allow for teacher collaboration, staff meetings and additional professional development opportunities.

The following professional development topics were discussed during the 2016-17 school year:

- Smarter Balanced Assessment Consortium Testing (SBAC)
- Positive Behavioral Interventions and Supports (PBIS)
- Effectively assisting students with disruptive behaviors
- Advancement Via Individual Determination (AVID)
- Compass - districtwide math intervention program
- Core subject areas with additional focus on math engagement strategies and student writing development
- Incorporating technology into classrooms with programs such as Google Classroom, Aeries gradebook and Renaissance Learning programs
- Special Education, Speech-Language Pathology, Occupational Therapy, Individualized Education Programs and Plans, 504 plans

Additionally, for further support in their profession, teachers may enlist the services of the district's Beginning Teacher Support and Assessment (BTSA) support provider and/or the Peer Assistance and Review (PAR) Program.

District Revenue Sources (Fiscal Year 2016-17)

In addition to general state funding, the district receives state and federal funding for the following categorical, special education, and support programs:

- Federal, ECIA/ESEA/IASA
- Class Size Reduction
- Economic Impact Aid (EIA)
- Peer Assistance & Review
- Instructional Materials
- Federal, Special Education, Discretionary Grants
- Gifted & Talented Pupils
- School Improvement Program
- Staff Development
- Federal, Special Education, Entitlement per UDC
- Drug/Alcohol/Tobacco Funds
- Home-to-School Transportation
- Special Education Transportation

District Expenditures (Fiscal Year 2015-16)

The figures shown in the Expenditures per Pupil table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures. This calculation is required by law annually and compared with other districts statewide.

Supplemental/Restricted expenditures come from money whose use is controlled by law or donor. Money designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures, except for general guidelines, are not controlled by law or donor.
