Project: Asphalt Repair at Various Sites Bid #17/18-002

Subject: Questions and Answers

The following questions were asked on April 4, 2018

With any alternates, can we have an extension on the days for completion, if these are to go? Will they need to be completed in the completion dates noted on bid forms?

Once we award the Bid and enter into a contract we will then sit down and establish a schedule/timeline for the completion of the work that is reasonable and that works for both parties.

Will a new Bid form be provided since 1 school (Melva Davis) has price amounts written in the boxes?

Please refer to Addendum No# 1

Just to confirm we should not bid the (2019, Westside Park ES) estimated asphalt repairs noted.

In Maintenance Building & Access Road, year 2020 is noted on line item 4.0 and 5.0. Can you explain what this means?
