

AUGUST 4, 2021

Adelanto Elementary School District Presents

# Professional Learning and Collaboration Day

"Learning is the only thing the mind never exhausts, never fears and never regrets"  
-Leonardo DaVinci

## AGENDA 8/4/2021

**\*\*IMPORTANT NOTICE\*\***

*Certificated Staff will report to school sites and log in to the virtual Professional Learning and Collaboration Day from their classrooms and/or office.*

Rational Outcomes	Experiential Outcomes
Develop a deeper knowledge and awareness of teacher clarity to support the development of a high-quality learning environment.	Utilize tools and resources to design a welcoming, safe and inclusive high-quality learning environment for students.
Develop a deeper knowledge and awareness of neurobiology to support the social-emotional needs of students.
