ARTICLE 6 HEALTH AND WELFARE/BENEFITS/EARLY RETIREMENT/LIFE INSURANCE AND MEDICAL INSURANCE

ARTICLE 6 HEALTH AND WELFARE/BENEFITS/EARLY RETIREMENT/LIFE INSURANCE AND MEDICAL INSURANCE

These benefits shall be provided on behalf of each eligible unit member who is assigned (based on Notice of Assignment) five (5) or more hours per day (5 days per week) Insurance benefits shall be granted on the first day of the month following the unit member’s date of hire. The District agrees to reopen this Article for the purpose of negotiation.

Medical plans will be selected through group participation in the District’s insurance committee which shall be made up of equal representation from the effected employee groups.

1. If there is an increase in medical premium, CSEA and the district will meet within fifteen (15) calendar days after the district notifies CSEA that the final rates have been received.

2. Employee contributions are based on 12 month employees. Employees working less than 12 months will have their annual contribution adjusted accordingly. Employees working 10 or 11 months will have a higher monthly contribution based on the smaller number of months that payments will be deducted.

3. Dental Insurance (unit member and eligible dependents, to include spouse/domestic partner), providing coverage of a least $2,500 in network/$2,000 out of network maximum plan. Dental insurance will also include Orthodontic coverage (unit member and eligible dependents) equal to 50% up to $1,000 per person for lifetime.

4. Vision Insurance (unit member, and eligible dependents to include spouse/domestic partner).
5. $500 buy-out to the Bargaining Unit Members with proof of alternative health Insurance to be paid in twelve equal payments.

6. $20,000 Term Life Insurance for all unit members, with dependent coverage (child and spouse) of $1,500 at no cost to the employee.

6.2 Unit members working at least four (4) hours per day but less than five (5) hours per day shall be entitled to a $550 “cafeteria option” on a pro rata-basis applied to any of the following benefits:

1. Dental Insurance (unit member and eligible dependents to include spouse/domestic partner).

2. Vision Insurance (unit member and eligible dependents to include spouse/domestic partner).

3. Tax Sheltered Annuity

The pro rata share shall be determined by the number of hours assigned to the unit member, divided by the number of hours in a full time assignment. (Example: four (4) hour employees = 4 hr. /8 hr. = 50% of $550 or $275). The difference shall be paid by the unit member through monthly payroll deduction.

Employees that become eligible for the full benefit package during the qualifying period will no longer be eligible to receive the Tax Sheltered Annuity.
6.3 **Retirement Medical Benefit:** A unit member who chooses to retire upon reaching age 53 or older and who has served at least ten (10) years in the DISTRICT in a full time position (five (5) hours or more per day) may elect to receive the same health insurance benefits until Medicare age based on his/her dependent status at the same rates as active employees. Additional medical coverage for the employee’s spouse or eligible dependents may be purchased by the retiree if selected during the open enrollment period or following a life changing event (marriage/divorces, child birth or adoption, etc.) as defined by the insurance carrier’s contract agreement. These options will be offered at the same rates as active employees.

Retirees that have met the above qualifications as of June 30, 2014 will continue to receive health benefits for the employee + one (1) at no cost in lieu of a 100% paid composite rate. Coverage will continue until the employee and/or the additional covered individual becomes Medicare eligible. At that time the plan will convert to the 100% single party AETNA HMO rate.

Dental and Vision coverage will continue to be offered to retirees at the retiree’s expense at the district’s retiree rates provided that the insurance provider allows such coverage for retirees.

ARTICLE 13 – TRANSFERS, PROMOTIONS AND DEMOTIONS

13.1 Transfers

A transfer is a lateral movement from one position to another that has the same classification and job description.

A transfer may be unit member initiated (voluntary) or District initiated (involuntary).

A. Voluntary Transfer

Any unit member may initiate a transfer to any open position in the same classification and job description regardless of part-time or full-time status upon posting of said position. Unit members requesting a transfer may submit a “transfer request form” at any time during the duration of the posting to the Personnel Department, or apply on Edjoin.org. A new transfer request form must be submitted for each posting.

1. Transfer opportunities/vacant positions will be posted on Edjoin.org, for 5 work days, posted at each site, and emailed to all unit members with District assigned email.
Each site and department will post a copy of vacancies on the Association bulletin board.

2. When only 1 (one) unit member applies they shall be offered the position. When more than one applies for the transfer, the 3 (three) with the most seniority will be interviewed; of which one shall be selected.

3. Previous performance as reflected in the three (3) most recent annual evaluations may be considered for selection in this position.

4. If interview scores are equal, seniority prevails.

5. If the Conditional Period is exercised then the other candidates shall be offered the transfer, according to their interview ranking score.

6. Should an employee not be in good standing as related to their work performance, (written/ documented), a transfer may be denied.

7. When there is a vacant position and it is filled by a transferring employee then the new vacancy will be
opened for transfer and any following vacancies will be
opened to the outside.

8. Unit members may only transfer once per school
year.

B. Involuntary Transfers

The District may initiate a transfer at any time that it is deemed by the
District to be in the best interest of the District. Any objections to the
transfer will be taken into consideration during a conference between the
appropriate management person, CSEA, and the unit member before the
transfer occurs. If requested the unit member will be told the reasons for
the transfer. The ultimate decision rests solely with the District, but
transfers shall not be implemented arbitrarily and capriciously.

An involuntary transfer will not be implemented as a punishment measure
but may be utilized in conjunction with a performance improvement
program if felt to be essential in alleviating performance problems.

Notification and reasons for the involuntary transfer will be in writing 5
working days prior to the transfer. An involuntary transfer of a unit member
made during the year shall not result in the loss of compensation, seniority,
or any fringe benefit.
1. **Displacement**

In the event the District identifies a need to adjust staffing ratios at school sites due to changes in student populations, program changes, or school closures the positions shall be filled in accordance with the following process when affecting 10 employees or less.

a. Displaced unit member shall be notified of their displacement;

b. In order of classification seniority, displaced unit members select from vacant positions within their job classification at a meeting with the Personnel Department. Seniority will be determined by classification first, District second and finally by lot draw if a tie still exists.

If more than ten (10) unit members are affected by the need to adjust staffing ratios at a school site due to changes in student population, program changes, or school closures, the involuntary transfer process shall apply.

**C. Medical Transfer**

If a unit member becomes medically unable to satisfactorily perform his/her regular duties as determined by the written opinion of a competent
physician the unit member will be provided an accommodations meeting. (Refer to Ed Code regarding Reasonable Accommodation).

**13.2 Promotion:** A promotion is an upward change in the assignment of a unit member from a position in one classification to a vacant position in another classification with a higher salary range. *(Conditional Period applies see 13.6)*

**13.3 Hiring Procedure**

A. Unit member must apply on Edjoin.org for any job openings (for transfers see Transfer language 13.1A) the interview selection will be based on the following criteria:

1. Qualification for the position

2. Previous performance, as reflected in up to three (3) performance reviews may be considered for selection in this position.

3. Experience, both in and outside the District. Where these three factors are equal, seniority will prevail.

**13.4 Posting:** When a vacancy exists the position shall be posted for transfers concurrently at all job sites, emailed to all members that possess a District assigned email address. Such posting shall be posted on bulletin boards in prominent locations for five (5) working days, during which interested unit members must submit a transfer request. During breaks it shall be the
responsibility of the unit member to check their work email or Edjoin.org. Such postings shall include number of openings, classification, job description, rate of pay, range, job site, and testing date and time. When such postings occur and if a unit member were to be on leave or vacation, they shall have the right to a designated proxy to file for the transfer in their behalf. Proxies must be registered with the Personnel Office prior to any published posting.

A. Qualified applicants will be selected for an interview. A person is deemed “qualified” if they have met the minimum qualifications as stated on the original posting and receives a passing score of at least 75% on any testing which may be required.

B. A **minimum of three** (the rule of at least three) qualified applicants will be supplied for interviews for each position (if after two consecutive postings there are less than 3 qualified applicants, an interview may take place). Qualified unit member applicants will have first opportunity for interviews. If there are not at least three unit members qualified to interview then the District reserves the right to meet the rule of three requirement from outside. (Example: only one qualified unit member applies for a position. The District then has the right to supply two outside candidates to meet the rule of at least three requirement.) A maximum of (5) five candidates will be supplied per
interview. If there are more than (5) five qualified internal candidates, the ones with the most experience pertaining to that position will be interviewed.

C. The District will notify unit members who applied for any new position of their tests results in writing. Passing test scores shall remain valid for 2 years (24 months). Unit members shall provide proof of passing test score to the Personnel department prior to or on the day of the test.

13.5 **Voluntary Demotion**

If a unit member applies for a voluntary demotion, the criteria for voluntary transfer applies.

13.6 **Conditional Period;**

When a transfer or new position is filled from within by a unit member, that member will be given a sixty (60) work day conditional period, commencing on the first day of starting the new assignment. Within the first thirty (30) days the supervisor shall review the performance of the individual. All reviews will be shared with the unit member. A final review may be done within the last two weeks of the conditional period. The District and or the unit member retains the right to curtail the conditional period at any time upon determination that the unit member is not going to satisfactorily fill the position or that the unit member wishes to return to their previous position. The final written evaluation will be shared with the Personnel Office at least three days prior to the end of the
conditional period. The supervisor will also inform the unit member of their status at this time. If a review does not occur within the 60 day conditional period, it shall be deemed as satisfactory and the unit member shall remain in that position as a permanent employee.

A. The position vacated by the unit member who transferred or was promoted, may be filled with a substitute during the conditional period at District discretion.

B. If a promoted unit member’s performance is not satisfactory, they will return to their prior position. The position that was conditional will then be offered to the next ranked applicant that meets the recommended criteria.

All interviews affecting classified positions in the District will permit CSEA an opportunity to provide one (1) CSEA Representative and one (1) classified employee from the classification being interviewed. The Representative will be selected by a Chapter Executive Board member. A CSEA representative may be included for management interviews. The final decision in the selection of the candidates from those recommended to fill vacancies rests with the District. If requested the candidate will be told the reasons for not being selected. While the ultimate decision in the selection of the
recommended candidate(s) rests solely with the District, the decision in the
selection shall not be decided arbitrarily and capriciously.

The School Board shall schedule the hearing at the upcoming meeting. The Board shall communicate their decision to the grievant and the exclusive representative within ten working days after said hearing.

(1) If the Grievance is not satisfactorily settled in Level Four, the Grievant shall, within ten (10) days after receipt of the DISTRICT’s reply, submit a written notice to the DISTRICT of his/her intent to submit the grievance to the Superintendent for binding arbitration. Within ten (10) workdays following receipt of the Grievant’s notice of intent to submit the grievance to arbitration, the DISTRICT shall request the California State Conciliation Service to provide a list of five (5) arbitrators from which the parties shall strike alternately until only one (1) name remains, with the first strike

with the Superintendent and shall commence at Level Four under this Article.

a. Nothing contained herein shall be construed as prohibiting the grievant from requesting assistance from the ASSOCIATION to assist in processing the grievance.

b. The time limits specified at each level in the grievance procedure shall be considered to be maximums and efforts shall be made by both parties to meet these time limits. The time limits, however, may be extended by mutual written consent.

c. In the event a grievance is filed at such a time that it cannot be processed through all steps in this grievance procedure by the end of the school year, and if left unresolved until the beginning of the next school year could result in harm to the grievant or the DISTRICT, the time limits set forth herein shall be reduced so that the procedure may be exhausted prior to the end of the school year or as soon as practicable.

d. If the DISTRICT does not respond within the prescribed time limit at any level, the grievant may appeal to the next level within the stated time limit.

ARTICLE 16 – EFFECTS OF AGREEMENT

It is understood and agreed that the specific provisions contained in this Agreement shall prevail over District practices and procedures and over State laws to the extent permitted by State law, and that in the absence of specific provisions in this Agreement, such practices and procedures are discretionary with the District.

4. Mountain trips (Those trips requiring documented specialized training in mountainous terrain).

5. Short notice trips (field trips becoming available within two and one-half (2 ½) days or less prior to scheduled trip departure).

d. The District shall retain the right to make changes to the rotation for the reasons of safety. If a change is made for this reason, the affected driver will be assigned the next available trip. This shall not apply to the Short Notice rotation list. A driver declining or unable to take a field
trip shall await their next turn in the rotational order and the trip offered to the next available driver from the appropriate list.

1. Whenever feasible, field trips shall be posted by noon on Wednesday and drivers shall be required to accept or decline the trip(s), as distributed, by noon on Friday. The trips posted shall be those scheduled for the following Monday through Sunday. Failure of any driver to indicate acceptance of distributed field trip(s) by noon Friday shall be deemed as a “No” or “Pass” of such trip(s) by the driver. Employees understand that in the event of unusual circumstances, field trips shall be posted as promptly as possible prior to the scheduled departure.

2. Drivers required to remain for the duration of the event shall be paid for all standby hours at the appropriate rate of pay.

3. Probationary drivers will not be offered any field trips until the probationary period is completed, except for those trips that all non-probationary drivers have had the opportunity to accept but declined.

4. A driver reporting for a weekend, or holiday trip, or a trip falling between sessions which is canceled without notice, shall receive at least two (2) hours of pay.
5. Extra time will be distributed using the daily extra assignment list. Extra time will be assigned in rotational order based upon seniority order of those drivers that have indicated their wish to receive extra time on the daily extra time list. The daily extra time list shall be posted by 5:00 P.M. of the previous workday. In the event there are no regular drivers available, substitute drivers will be offered the extra time.

20.3 In-Service Training

a. Up to twelve (12) hours of in-service training shall be provided by the District in order for drivers to retain their certificate. Training will be done once a month and will be for no less than one (1) hour. Unit members are required to attend and shall receive pay, at the appropriate rate of pay, for time spent in training. Unit members and substitute drivers who fail to attend the District in-service training program must secure the required hours on their own time and at their own cost.

b. The District shall pay for or reimburse any permanent unit member for the cost of renewing his/her driver’s certificate and health examination required by the State of California.

c. All bus drivers shall possess a current California School Bus Certificate. District shall reimburse unit members for expenses incurred in securing school bus driver’s certificate and license.

97
20.4 **Bus Safety**

Medical information and updates, when available, shall be provided to the driver transporting students with potentially serious medical problems.

20.5 **Working Conditions**

The District will provide a break room for the unit members of the Transportation Department.

20.6 **Other Conditions**

No other District unit member will be used as a bus driver when regular bus drivers and/or substitutes bus drivers are available. All drivers shall update and initial route sheets once a week or as changes occur.

20.7 **Splits**

No unit member shall be required to take a split of less than one-half hour (.5). If a route has a split that split time will be used for fueling, sweeping and cleaning inside windows. These things should not be extra time.

20.8 **Vacation Periods**

All assignments scheduled during vacation periods between the closing and opening of school shall be offered using the same rotation/seniority lists used
for the school year. The District shall establish and post a list of available drivers five days prior to the end of a school session. The District retains the right to utilize appropriately qualified/licensed unit member immediately available in an emergency.
ARTICLE 21 – MAINTENANCE OF CONTRACT

21.1 Within thirty (30) days of ratification of the Agreement by the ASSOCIATION and approval of the School board, the DISTRICT shall have copies prepared for each unit member and delivered to the Association. The cost shall be shared equally between the ASSOCIATION and the DISTRICT.

21.2 The DISTRICT shall provide a copy of the Agreement to each new unit member at the time of hiring with the cost being shared equally between the ASSOCIATION and the DISTRICT.

21.3 Nothing in this Agreement shall prevent the DISTRICT and the ASSOCIATION from renegotiating any part of this Agreement, during the duration of this Agreement, should such renegotiating be mutually agreeable to both parties.

21.4 Items within scope, which are not contained within this Agreement, may be negotiated upon mutual consent of the ASSOCIATION and the DISTRICT.

21.5 The ASSOCIATION shall have reasonable release time for the purpose of bargaining.
ARTICLE 22 – ORGANIZATIONAL SECURITY

22.1 California School Employees Associations (CSEA) shall have the sole exclusive right to have membership dues and service fees deducted from the salary of unit members in bargaining unit who have submitted a membership application form to CSEA. The District shall make appropriate remittance to the designated payee within (15) days of the deduction of such membership dues and service fees. The amount of membership dues or service fees deducted shall be in accordance with CSEA membership dues and service fees schedule.

22.2 Agency Shop

All unit members of the District, who are employed in positions within CSEA’s bargaining unit, shall as a condition of continued employment, become a member of CSEA, or pay a service fee equivalent to CSEA membership dues. In addition, all new unit members who are employed by the district in bargaining unit positions shall, as a condition of their employment, become a member of CSEA or pay a service fee, equivalent to membership dues. The aforementioned membership dues or service fees shall be deducted from said unit member’s salary in accordance with CSEA dues and service fees schedule. All such deductions shall be remitted to the CSEA
state associations. The district shall pay the designated payee within fifteen (15) days of the deduction, all sums deducted. These deductions, whether dues or service fees, will continue until the termination of this agreement. Payment of membership dues and service fees under this section shall be in accordance with Education Code, Section 45168(b). The service fee is a contribution toward negotiations and administration of this contract at the state and local levels. A service fee payer shall have a voice but no vote in CSEA business. Nothing contained herein shall prohibit a unit member from paying service fees directly to CSEA.

22.3 Religious Objection

Any unit member who is a member of a religious organization whose formal tenets or teachings include objections to joining or financially supporting employee organizations shall not be required to join or financially support the Associations, except that such unit member shall pay, in lieu of membership dues, sums equal to such fees to a non-religious, non-labor organization, charitable funds exempt from taxation under Section 501c3 of Title 26 of the Internal Revenue Service (IRS) Code or any other charitable, non-profit organization mutually agreeable to the unit member and the Association. Such payment shall be made pursuant to Section “A” above.
A written statement of objection, along with verifiable evidence of membership in a religious body, pursuant to Section “C”, paragraph 1 above, shall be made on an annual basis to the Association. Classified unit members who are selected to donate contributions may select from the following charitable organizations: Ronald McDonald House, United Way and Red Cross. Any other charitable organizations must be approved by CSEA.

The Association agrees to indemnify and hold harmless the District against any and all liabilities, claims or actions which may be brought against the District or Board of Trustees individually or collectively, its officers, employees and agents, including reimbursement for all costs, expense, fees, judgments and settlements providing an effective defense on behalf of the District at the direction and expense of the Associations against any and all lawsuits or other legal proceedings arising out of, and in connection with, this Article.
ARTICLE 23- TERM OF AGREEMENT

This Negotiated Agreement between the District and the Association shall be maintained in full force and effect up to and including June 30, 2019 and thereafter shall continue in effect school year by school year unless one of the parties notifies the other in writing no later than March 15, of its request to modify, amend, or terminate the Agreement for the next school year.

This 2016-2019 Agreement between the parties shall remain in full force and effect with Health and Welfare Benefits, Salary and two additional reopeners selected by each party for 2016-2017, 2017-2018 and 2018- 2019 contract years. This is the full and complete agreement between the parties, negotiated in good faith, which satisfies the obligations of the parties to bargain as required by law.

This Agreement is subject to ratification by CSEA Chapter 451 and the approval of the District Governing Board.

Variable “On Call” Employee Medical Benefits Eligibility
for plan years effective July 1, 2014
(as of 02/13/13)

Subject: Variable “On Call” Employees (Not Full-Time Employees)

Benefits may be available to Variable Employees in accordance with the (PPACA) Patient Protection Affordable Care Act’s rules regarding eligibility of employees determined to be “full-time employees” (working thirty (30) hours per week on average in a month). A Variable Employee means a newly hired employee who is hired into a position that is not reasonably determined to be full-time.

The allowable measurement period for a “Variable Employee” to qualify for benefits as outlined in (PPACA) shall be for a period of 12 months, beginning with the 1st of the month following his date of hire. This 12-month measurement period means the newly hired employee will have his work hours, as identified under health reform law and regulations, added together for the entire 12 month period, then divided by 12 to determine a monthly average. A Variable Employee who works an average of 130 hours per month during that 12-month period will be eligible for health insurance after the end of the 12 months, as determined by federal law. When a Variable Employee averages at least 130 hours of employment per month during the measurement period, the employee can enroll in benefits the 1st of the month following their measurement period.

The period of time a Variable Hour employee has the right to elect coverage is called the Stability Period. If the employee waives (does not elect) coverage, then he will be without coverage for the entire Stability Period.

The school district’s plan will have a separate measurement period that applies to all on-going or current variable employees (basically everyone other than new hires). If the time frame of a newer employee’s measurement period does not match the district’s usual measurement period, a variable employee who was found to be eligible after the first 12 months -- and who elects coverage -- can continue to stay enrolled until the next medical plan renewal of July 1, so in the future the time period used to count his hours will align with the district’s medical plan year.

Going forward, any variable employee who is not a new hire will continue to have to requalify according to the same provisions on counting hours for a period 12 months from June 1st through May 31st as the measurement period. Anyone determined to be full-time will be offered coverage for a July 1 effective date. If the Variable Employee does not qualify and loses coverage due to reduced hours, he will have full COBRA rights. (And any employees who terminate employment while covered by the health plan would have a COBRA event, as usual.)
