

How students open the assigned assessment in Wonders

- ❑ Log on to your Chromebook
- ❑ Scan your QR code

- ❑ Click on the McGraw Hill app in Clever

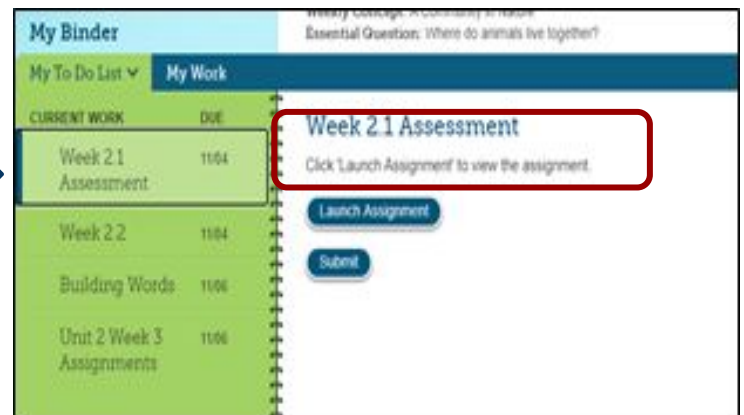

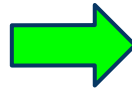

- ❑ McGraw Hill opens up to your Reading/Writing WORKSHOP book
- ❑ Click the green and white "Launch" button

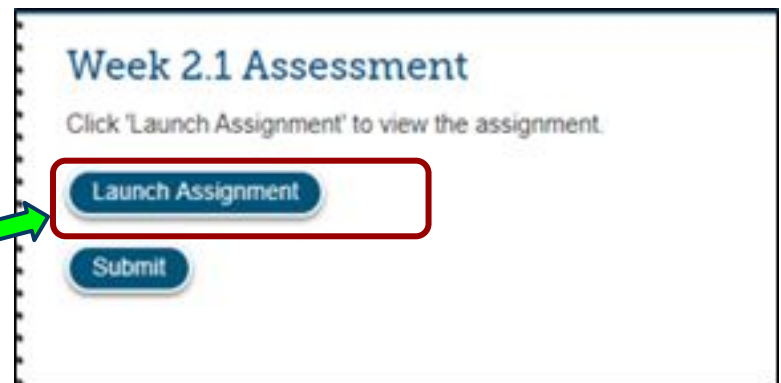

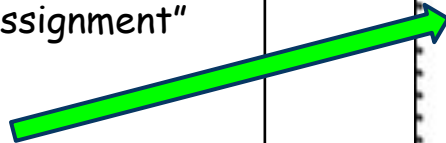

- ❑ In the Dashboard, click on the green "To Do" list circle

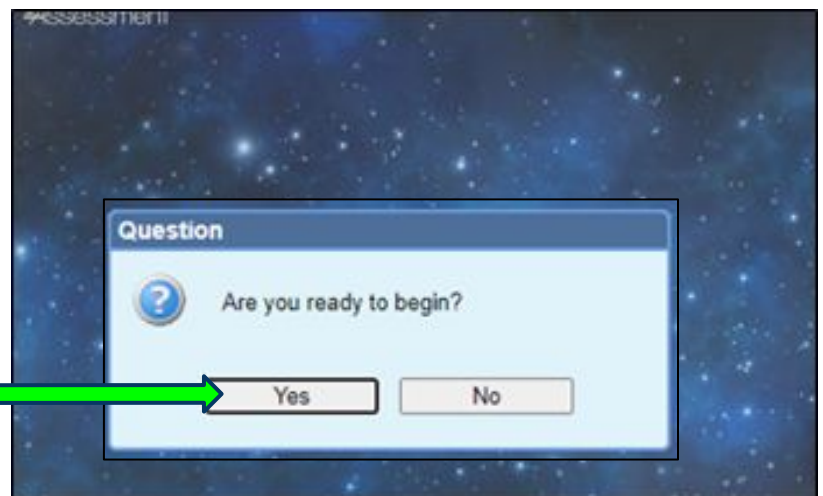

- ❑ Your assignments are on the side with the green background
- ❑ Click on the Unit 2 Assessment
- ❑ It will show on the other side with a white background

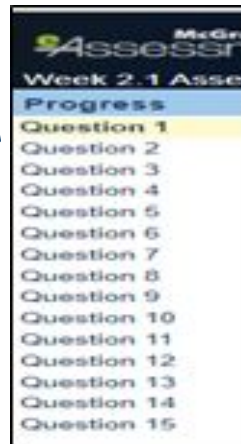

- ❑ Click the top button that says "Launch Assignment"

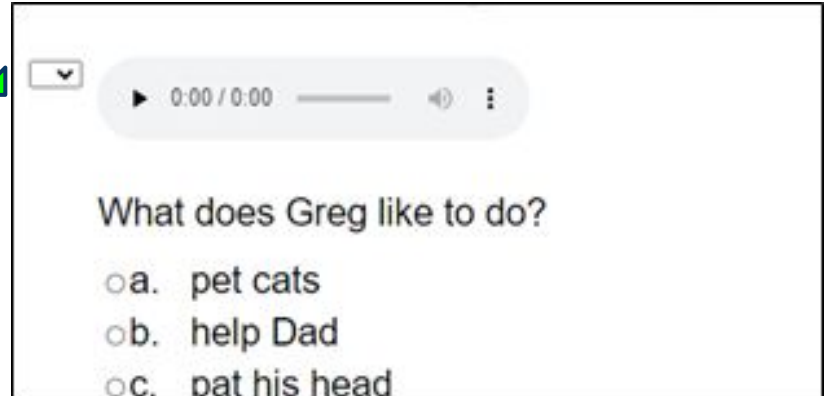

- ❑ When the exam opens, you will see this starry night sky
- ❑ Click on the "Yes" button to begin the exam

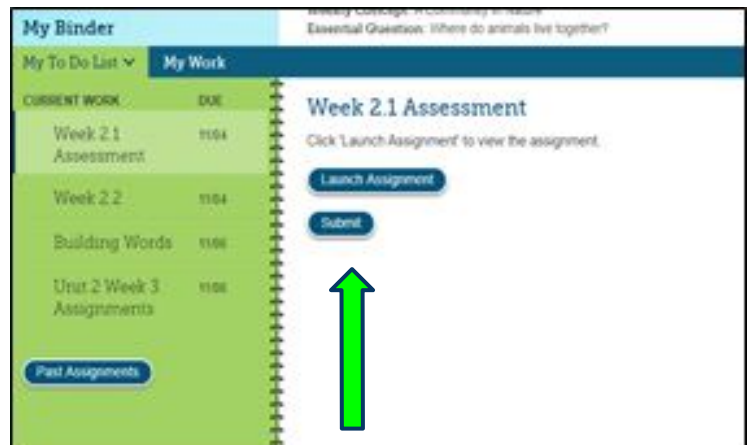

- ❑ The questions are on the left side of the screen
- ❑ Click the questions to move down
- ❑ Click the arrow if you want the program to read to you

- ❑ Below the picture is a drop down menu.
- ❑ Click on it, then click your answer
- ❑ Then click on the next question

- ❑ When you finish every question, return to the Dashboard
- ❑ Click the submit button

- ❑ When this blue and white box pops up, click "OK"
- ❑ You are finished with the test. Close the program.
